

# Fine Triple Washed Sand

A high-quality washed sand that delivers consistent results and is ideal for applications that call for a soft fine-grained sand.

## Description

A high quality free-draining sand that is in demand for use in concreting and for rendering and bagged finishes. Our Fine Triple Washed Sand is based on a very consistent high quality deposit mined at Lang Lang and delivers superior results. It is ideal for any application that requires a soft fine-grained sand.

It is also well suited as a top-dress sand for instant turf, for use in playgrounds and sand pits, and as a filler to brush over and stabilise pavers and stonework.
